2021 International Oil Spill Conference (IOSC) Justification Toolkit

We are here to help you develop a strong justification for attending IOSC 2021. Use the tools in this kit to explain how attending this virtual event will be a smart investment in both your personal career growth and the growth of your organization.

Focus on the Bottom Line

When resources are tight, focus on the bottom line: costs vs. benefits. This worksheet will help you determine the full cost of virtual attendance and identify the benefits you and your organization will gain. Customize the justification letter on the last page to help you draft a formal (and persuasive) request for funding.

Creative solutions can help you get your request approved. Consider these options:

- Before meeting with your supervisor, prepare a plan that shows who will cover your duties while you attend IOSC 2021.
- Offer to prepare and deliver a short presentation and Q&A session for your colleagues to share what you learned. This way, your coworkers will also benefit from your attendance.
- Share speaker handouts with your colleagues. As an attendee, you will have access to presenter materials that are easily downloadable.
- Enjoy all this from the comfort of your own home or office. You'll have access to all the sessions and educational content on-demand for up to 3 months, so you can learn at your own pace and don't need to miss a thing!

Step 1: Determine the Costs

Before you can justify your expenses, you need to calculate what they will be. Use this worksheet to estimate the total cost of your attendance.

Step 2: Outline the Benefits

When showcasing the benefits of IOSC 2021, focus specifically on what research you will bring back to your organization as a return on their investment. Use the [Program](#) on the IOSC website to answer these questions:

- Which sessions have research relevant to the work your organization does?
- Which sessions can teach you a skill or solution that will help your team overcome current or future challenges?
- Are there any speakers your organization would benefit from hearing from or working with?
- How can networking open doors for your organization? Could the people you meet help your organization further its mission?
- What value could you get from discussions with other oil spill response professionals?

When considering these questions, keep these tips in mind:

- List specific sessions you plan to attend and explain how they will impact you, your organization, and your job.
- Clearly make the connection between your organization's needs and the benefits you are identifying.
- If the budget approver is outside of your department, do not assume they understand your department's goals or any technical terms. Spell out the impact for them.
- Passion is the best persuasion technique – let yours shine through in your letter.

Step 3: Draft Your Justification Letter for IOSC 2021

Below, you will find a Justification Letter template — to help you explain to your supervisor the benefits you will receive from attending the conference, how it will make you a better employee, and helps advance your organization. This general template will get you started while allowing you to customize it to you and your organization's particular needs.

Dear < **approver's name** > ,

I would like to attend the [Virtual 2021 International Oil Spill Conference \(IOSC\)](#), taking place May 10-14, 2021. IOSC provides a vital forum for professionals from the international oil spill response community, including private sector, government, non-government organizations, to come together to tackle the greatest challenges facing us with sound science, practical innovation, social engineering, and innovation.

This conference will feature 12 short courses, over 160 papers presented across almost 50 breakout sessions, and a virtual exhibit hall with more 75 companies and organizations showcasing their latest products and research.

This evidence-based event will enable me to attend a number of educational sessions that are directly applicable to my work. I will also be able to network with an international group of oil spill response professionals. This allows me to exchange ideas and lessons learned from around the world that can be applied at our local level.

Presentation topics range from < **list relative topic** > to < **list another relative topic** > , and I am confident that the education and skills that I gain will be directly applicable to my work. After carefully reviewing the [meeting program](#), I have identified a number of key sessions that I would like to attend:

- **Session 1 and how it will benefit you, your department, and your company**
- **Session 2 and how it will benefit you, your department, and your company**
- **Session 3 and how it will benefit you, your department, and your company**

I have only listed some of the sessions that I will attend. Including them all would make this request much too long.

With IOSC 2021 going virtual, I'll be able to attend this event at an incredibly discounted rate as I'm able to cut out expenses for airfare, hotels, meals, etc.. In order to attend the meeting and gain these benefits, I am seeking sponsorship of < **total amount you need** > for the following expenses:

Registration: <\$xxxx>
Round-trip Airfare: **FREE**
Ground Transportation: **FREE**
Hotel: **FREE**
Meals: **FREE**

The opportunity for me to develop a network of colleagues and to gain knowledge in specific areas makes my participation at IOSC 2021 a wise investment that will yield rich dividends for our organization. Please let me know if you have any questions, or would like more information.

Total registration for the event: <\$xxxx>

Sincerely,

< your name here >
